## DISCLAIMER ON 'HIGH GLOSS' LAMINATES

A High Gloss finish is ideal for applications that require maximum smoothness and reflectance.

This finish is recommended for vertical or light duty horizontal, interior applications.

High Gloss laminate is NOT recommended and can not be warranted by Imperial Counters for heavy-duty areas such as counter tops.

Substrate imperfections and minor construction scratches will be visible with a High Gloss laminated surface.

I have read, understand and accept the above.

I still wish to use \_\_\_\_\_ in a High Gloss Finish.
